

<b>Project title:</b>	<b>“Malawi Ministry of Transport and Public Works and National Transport Master Plan and Implementation Plans“</b>
<b>Position:</b>	<b>Transport Experts - Transport Planner/Engineer; Transport Economist; Transport Sector Funding Expert; Transport Sector Institutional Expert; Transport Sector Legal Specialist</b>
<b>Location:</b>	Malawi
<b>Eligible nationalities</b>	All nationalities
<b>Start of project:</b>	September 2015
<b>Assignment duration:</b>	70 man-months
<b>Deadline:</b>	02/06/2015
<b>Objective of the project:</b>	<b>The primary objective of the study</b> is the development of a National Transport Master Plan to guide the sustainable development of an integrated multi modal transport sector over the period 2017 to 2037. The study will identify requirements for the sector in terms of the transport provision required for freight and passenger services under each mode and necessary inter-modal transfer facilities. This will include a prioritized time bound plan for institutional (organizational, policy and regulatory) reform and capacity building in all sub-sectors. Detailed master plans for each sub-sector to meet the requirements will be developed working with the respective agencies and organisations.
