

Project title:	Technical Assistance to the Ministry of Transport for the creation of an Investment Unit
Position:	Key Expert: Team Leader
Location:	Egypt
Eligible nationalities:	All nationalities
Start of project:	Summer 2019
Assignment duration:	440 WD within 24 months
Deadline for the applications:	25/04/2019
Objective of the project:	<p>The overall objective of this Technical Assistance (TA) will be to efficiently and pragmatically kick-start an Investment Unit within the MoT. This objective will include organizing staffing, setting up operating procedures, defining a medium term action plan – including identifying potential projects – and following up implementation of pilot projects (at least one).</p> <p>Purpose</p> <p>The purposes of this TA assignment are as follows:</p> <ul style="list-style-type: none"> • Agree the overall setup with MoT international cooperation advisor, offering several development options based on international experience and case studies. The overall setup includes, but is not limited to, the elaboration of a mission statement, vision, a development strategy and an organizational setup. Benchmarking with similar units internationally and advising on optimal structure & expertise will be required. • Set up the Investment Unit staffing, starting with his or her Vice-Team Leader (to be appointed by the MoT), whose aim will be to replace the Consultant / Team Leader as head of the Investment Unit at the end of the assignment. Assist preparing procedures to develop human resources. • Start the preparation and develop business tools for the planning and prioritisation of investments with the head of section in charge. This should include preparing detailed operating procedures and determining the type of financing (notably public versus private). • Organize and provide a training and capacity-building programme, including hands-on training and formal training. • Develop performance indicators and monitor progress / develop a dashboard for the Minister.
Qualifications required:	<p>The Assignment is expected to be delivered primarily by an expert with wide international experience, including in Egypt or at the minimum in the Southern Neighbourhood region, in setting-up and running such investment units;</p> <p>Qualification & skills</p> <ul style="list-style-type: none"> • University degree, Master level or equivalent in a field related to management, planning, economics, engineering or institutional development; • Full proficiency in English; and • Proficiency in speaking and reading Arabic would be considered an asset. <p>General Professional experience</p> <ul style="list-style-type: none"> • 15 years general experience in the field of transport; • 10 years international professional experience in management, planning or institutional development in the field of transport; <p>Specific Professional experience</p> <ul style="list-style-type: none"> • Experience on 2 transport infrastructure projects financed by IFIs (World Bank, EBRD, AfDB, EIB, AFD, KfW, etc.); • Experience in financial management and budgeting in public institutions;

	<ul style="list-style-type: none"> • Experience in transport project planning and implementation in the Southern Neighbourhood Region; • Experience in Egypt in the field of transport would be considered an asset; • Experience in managing project management units (PMUs) or similar units within ministries in developing or emerging economies will be considered an asset; • Experience in different transport modes (including urban transport) would be considered an asset; and • Experience in training and mentoring would be considered an asset. <p>Note that the Contracting Authority reserves the right to interview Team Leader's candidates as part of the tender evaluation process.</p>
