

Project title:	“EU Support to Sustainable Energy Connectivity in Central Asia (SECCA)”
Position:	Key expert 2: Senior Energy Sector Governance Expert
Location:	Central Asian Countries, EU and Neighbouring Countries
Eligible nationalities:	All nationalities
Assignment duration:	2 years
Deadline:	31st of March 2021
Objective and purpose of the project:	The EU Support for Sustainable Energy Connectivity in Central Asia (SECCA) will contribute to the fulfilment of international human rights commitments in the beneficiary countries, particularly the economic and social rights (access to adequate standard of living, including equal access to energy without discrimination), and to the Convention on the Elimination of All Forms of Discrimination against Women, both ratified by all participating countries. SECCA will also contribute to the EU Gender Action Plan III (GAP III, 2021-2025), in particular its thematic objective on access by women to financial services, and objective on strengthened participation in the green and circular economy. Moreover, SECCA will directly promote the working principles of the rights-based approach: participation, non-discrimination and equal access, accountability, and transparency.
