

Project title:	"Coastal Cities as Sustainable Economic Hubs"
Position:	Key Expert 1: Team Leader
Location:	Mozambique
Eligible nationalities:	All nationalities
Assignment duration:	60 Months
Start date:	November 2021
Deadline:	25th of September 2021
Objective and purpose of the project:	The overall objective of the Programme is to improve the economic and general living conditions of the coastal municipalities of Inhambane and Maxixe by providing coastal protection measures such as sea walls, groins and mangrove reforestation, and improvements to the existing drainage systems. Thereby, the resilience of the municipalities of Inhambane and Maxixe shall be increased against the negative effects of climate change and extreme weather conditions such as flooding, salt water intrusion and erosion.
