

NTU International A/S is looking for a student assistant to join our IT department at the company's headquarters in Aalborg.

NTU is a leading international consulting firm providing programme management and advisory services for development projects worldwide. For almost three decades, NTU has been delivering sustainable development projects and advisory services within engineering, policy, economics, and social fields. With more than 1.100 international projects and studies already completed, and 17 project offices around the world, we have established ourselves as a leading consulting company. With the expansion of international activities and clients, NTU's project pipeline and opportunities have grown significantly, therefore, we are looking for an experienced, motivated and result oriented individual, who is interested in experiencing our culture, intensive business environment, challenges as well as being part of our international success.

Your tasks will primarily be to assist with:

- Carry out IT support for local/external endpoints
- Support NTU employees with various technical difficulties
- Provide assistance for external NTU experts working remotely
- Assist the NTU IT consultant with applied IT systems and services
- Manage contact with external IT providers (Microsoft services, cyber-security tools, communication systems, etc.)
- Provide technical expertise for the NTU website and other applied online platforms
