1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of the **21st European Remembrance Day for Victims of Terrorism**, organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to the abovementioned event organised by the Directorate-General for Home and Migration Affairs (DG HOME) – Unit D.3 (*Prevention of Radicalisation*) of the European Commission is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific event (before, during and after) and to process your application for participation in that event.

The live streaming will be recorded and available for replay for 2 years.

Please note that if you decide to take photographs/audio-visual recordings of participants of the meeting and/or publish them online, you assume full responsibility for these actions. The same applies if you download the photographs that will be shared with participants or posted on the European Commission online platforms and publish them on the Internet. The data controller shall not be held accountable for any processing of personal data that you might carry out on your own initiative during or after the event.

3. On what legal ground(s) do we process your personal data?
